muffler! With me & you in the same car, God knows what could happen! Then it just so happens that the muffler falls off in the middle of the parking lot! Boy are we strange together! Well Prom was fun despite the circumstances. How could I not have fun with you there & Dave Robinson talking about how everything is so "high school." You guys made everything fun!

Well Miss, thanks for everything. Thanks for always being there and helping me with my parents & Karl. We've had so much fun together & don't forget me when I leave. I sure won't forget you. You've been great. This summer we will have to go to Great America, the Dunes, your house in Michigan, and tons of other things together. We still have to make dinner for the guys! So we will have an awesome summer! (That's if you're not gone for the whole thing). Have a fun life! I love ya - Sharon

Missy,

It's been a fun four years. The word that best describes it is interesting. O.K. different would also be appropriate. We've had a blast? Remember Jr. year we were so scared, I thought you were going to freak out. We've had some different times. It's been fun.

YOUR MAMA EATS KITTY LITER!

Dear Trinity -

It's the best note only takes a
letter 3 years. Your Christian faith has
been an encouragement for me here at
Akron. It's nice to know there are people
out there that understand.

We are a very dedicated pastor-and
~~the~~ I have quite busted in volunteer
upon others.

It's so good when we start to throw with
him; doesn't it flatten?!

Pray for us as we try to be his people
here in Akron. Pray that we would be famous
for our love for one another. Pray that
we would become strong leaders for Him.
Pray that we would have a passion for
the lost. Pray that we would be
willing to sacrifice our time, money,
& talents for the cause of Christ.

Thanks for your prayers & support.
We love you!

Love,
Dave & Kathie Kemp

Dear Mr. Jones,

I'm sorry that it has been quite
a long time since I've written to you.
I've been very busy with school and
work. Ron, Tom, & I are living in
the administration building at
TROUBLEMAKER College. I've been
much busier than I thought I would
be. I'm sure you've been busy
also. I've been meeting a lot of
people around campus too.

I'm sorry to hear that you are
having difficulty with your feet.
Have you been to a podiatrist?
I've been wearing shoes that
aggravate my feet. I'm sure that
you can make some adjustments
in your shoes to help relieve
the pressure. Perhaps you could
have some orthotics made.

Please write soon & let me know
how you are doing. Keep in touch.

Love,
Dave

P.S. Keep the faith.
Bless you.

-Missy-

Well, this is it. We're almost thru w/ high school for good. Ø's been fun, but it definitely got better when you showed up in my history class last year. Ø don't know what to write. You've been a good friend. You've always been there w/ laugh & crazy & wild, just like me. Ø know Ø'm not very good at keeping in touch, but this summer Ø think Ø really will be stopping by. Ø'll definitely go to the summer. And when Ø die, Ø'll be gonna miss you. You've got to believe that next year Ø'll be seeing you in my address book 'til we've all moved on & have families & kids of our own. Ø hope you have a fantabulous time at college. Have fun & don't forget me! Love ya lots!!!

Love always,

We have been through a lot these 2 years. It would have been nice working on the newspaper with you at all. Had a good sports editor. Wish the restrictions placed on us with the newspaper were pretty good.

STUDENT LIFE

Missy,

We have had my best memories of high school together. In the past year you have become a very important part of my life. Between Sharon, Bob, Jamie, and you, my life has been altered greatly; all for the better. I do, however, expect these good times to go on for a long, long time. You are the second best thing to come into my life (next to Christ), and I don't intend on letting things go right now. Your plans are uncertain right now, but I'm sure that you have the will + ability to succeed in whatever turns out. Please remember that ~~even~~ whatever happens in the future, you will always be special to me, and I'll always be praying + rooting for you on the sideliner, and I'll always be around if you need me. "Communication is the key."

"Homecoming 1982"
"A Time To Celebrate"

This year's Homecoming was a very memorable experience for everyone. The many events included: A spirit week, a powderpuff football game, a varsity football game, a balloon release and a homecoming dance. This year's powderpuff football game was a first, it was played between the senior girls and the junior girls, with the seniors coming out victorious. The halls were all nicely decorated and once again the seniors took first prize! The themes were freshman - winter, sophomores - summer, juniors - spring and seniors - fall. In addition to all four of our football teams shutting out their opponents, the boys' and girls' cross country teams won the Mid-Suburban League Conference Championships. The dance, with the theme "The Four Seasons, A Time to Celebrate", was an exciting and funfilled part of Schaumburg's homecoming. The queen of this year's homecoming was Natalie Barnes, senior attendant, Debbie McComb, junior attendant, Mary Jakubosky, sophomore attendant, Karen Shepherd and freshman attendant, Kathy Budnick, The rose arbor included: Shawn Davis, Mary Hayden, Laura Bondarenko, Jolynn Habermeier, Ann Schaefers, Rene Dionisio, Nicole Carver, Barbie Taylor.

I'm sure that no one at Schaumburg High School will forget our 1982-83 Homecoming, it certainly was a time to celebrate!

The Prisoner Of Second Avenue

Neil Simon's play, *The Prisoner of Second Avenue,* was presented on November 5th & 6th 1982. The outstanding lead roles were played by Robert Mitchell and Anneliese Bayer. They portrayed the characters Mel & Edna Edison, a couple living on Second Avenue in New York. This emotional comedy/drama shows modern day living very realistically. Within the course of a few weeks, their apartment gets robbed, the air conditioner breaks down, in the middle of a heat wave, and Mel loses his job. As his wife begins earning their income, Mel becomes very depressed & begins to lose his mind. Rod Holt, Kimberly Kraig, Sandy Manisco & Debbie Prette played the parts of Harry, Pauline, Jesse and Pearl, Mel's brother & sister. They offer financial help for a psychiatrist & altogether did a great job! The play was a pleasure to watch and an excelelnt job was done by all of the cast & crews.

Turn-About '84

The theme of this year's Turnabout Dance was "Love Lift Us Up". The King of Turnabout this year was senior Paul Weathers; senior attendant was Craig Potter; junior attendant was Mike Ptak; sophomore attendant was Mike Shoebeck; and freshman attendant was Domenic Pleggio. The band that entertained us for the evening was called "Glider". All in all it was an enjoyable and exciting evening for all that attended.

Almost Anything Goes

This year's "Almost Anything Goes" was an event to see! The students prevailed over the teachers once again, but fun was had by all who participated. Some of the events were: the famous backseat driver, won by the students; cageball, where the teachers took over; wiffleball, students again; swimming, won by students; basketball, won by students; and volleyball, again, won by students. A 'first' this year was a pie throwing contest. Student Steve Chmura was given the honor of throwing a pie at Mr. Thorsness' face and teacher Mr. Breault threw one in the face of our retiring principal, Mr. Weimer. For the first time in many a year the teachers won the tug of war. All-in-all, everyone had fun!

Grease

A New 50's Rock 'N Roll Musical

This year's cast of "Grease" did an excellent job or reproducing the '50's era and atmosphere in the spring show. The production featured Laurie Gillis (Sandy Dumbrowski) and Joe Scarnato (Danny Zuko). Supporting leads were Anneliese Bayer (Betty Rizzo) and Alex Sanchez (Kenickie). The *entire* cast was terrific and once again pulled off a superb job that the audience thoroughly enjoyed. A special congrats to John Van Hook, director and Kenney de Camp, choreographer.

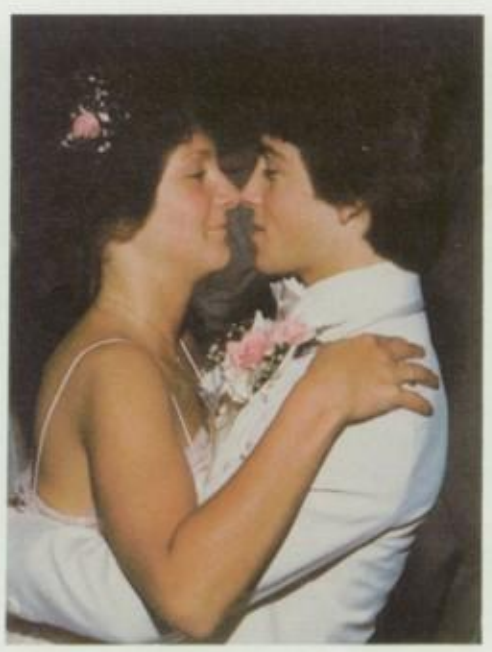
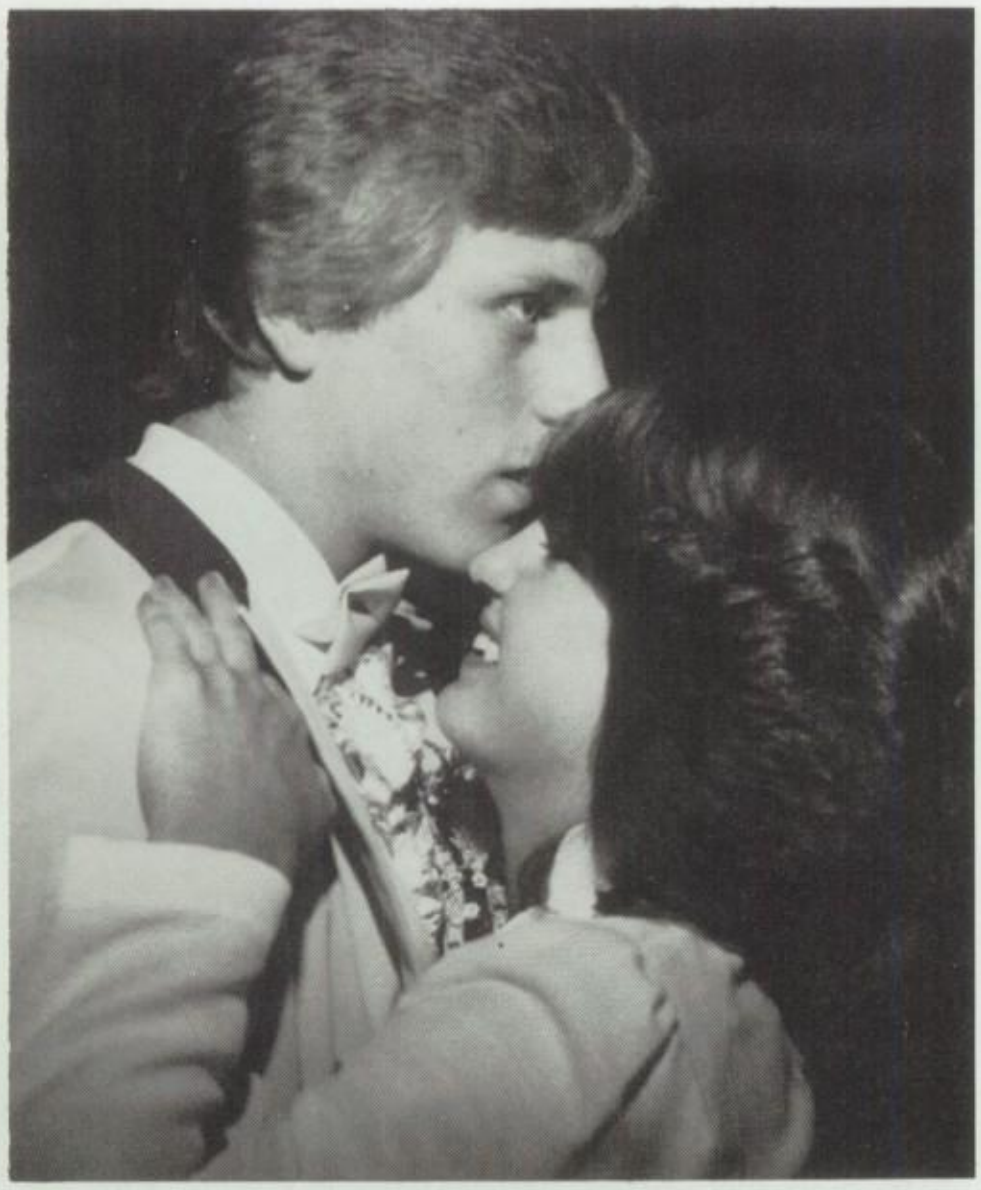
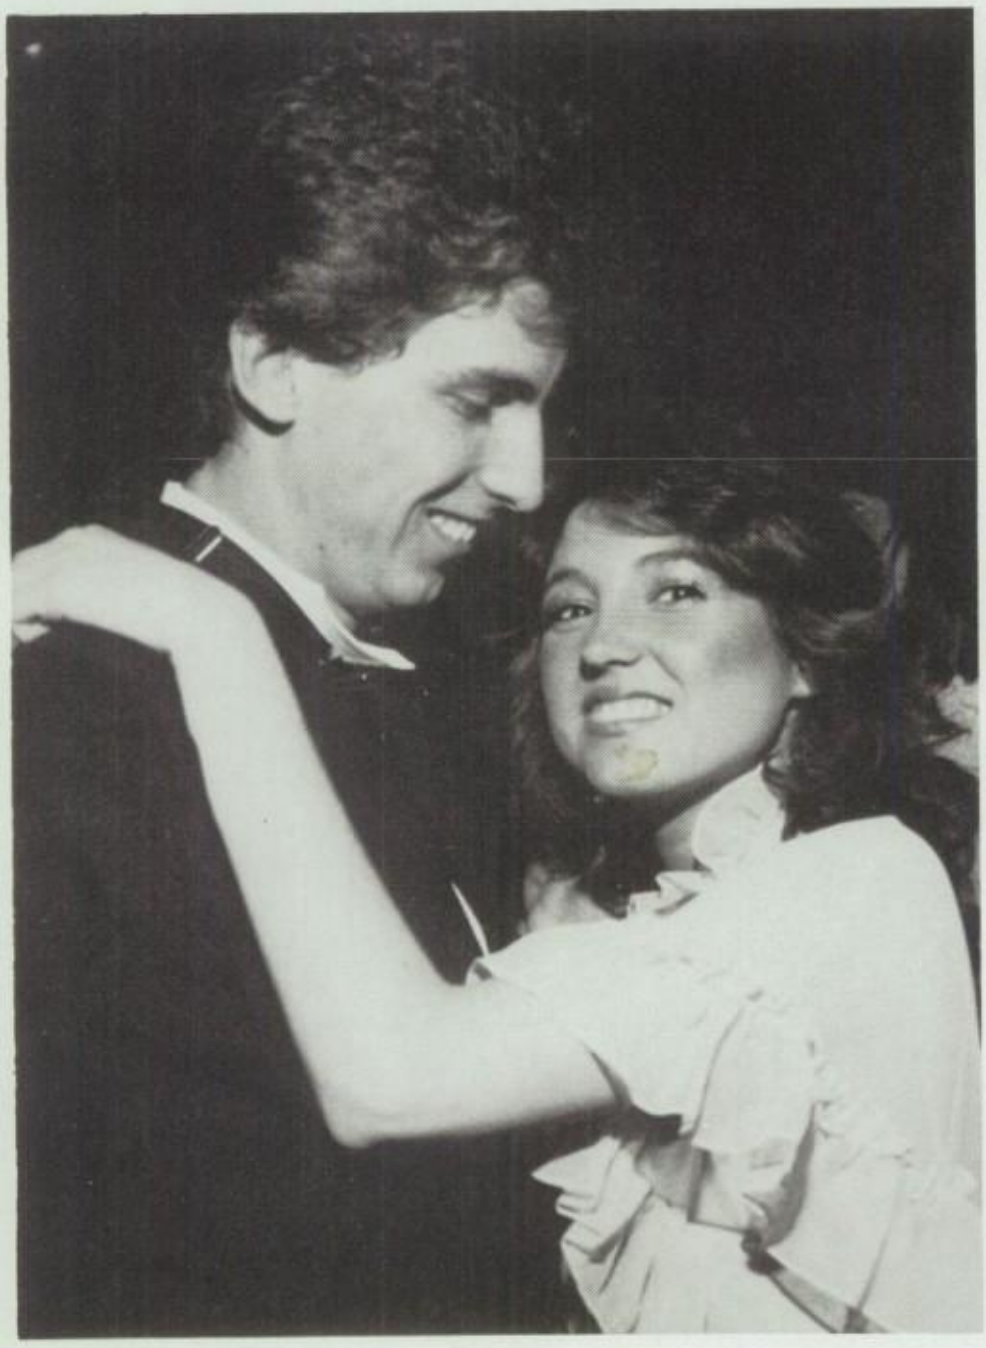
Junior - Senior Prom 1983

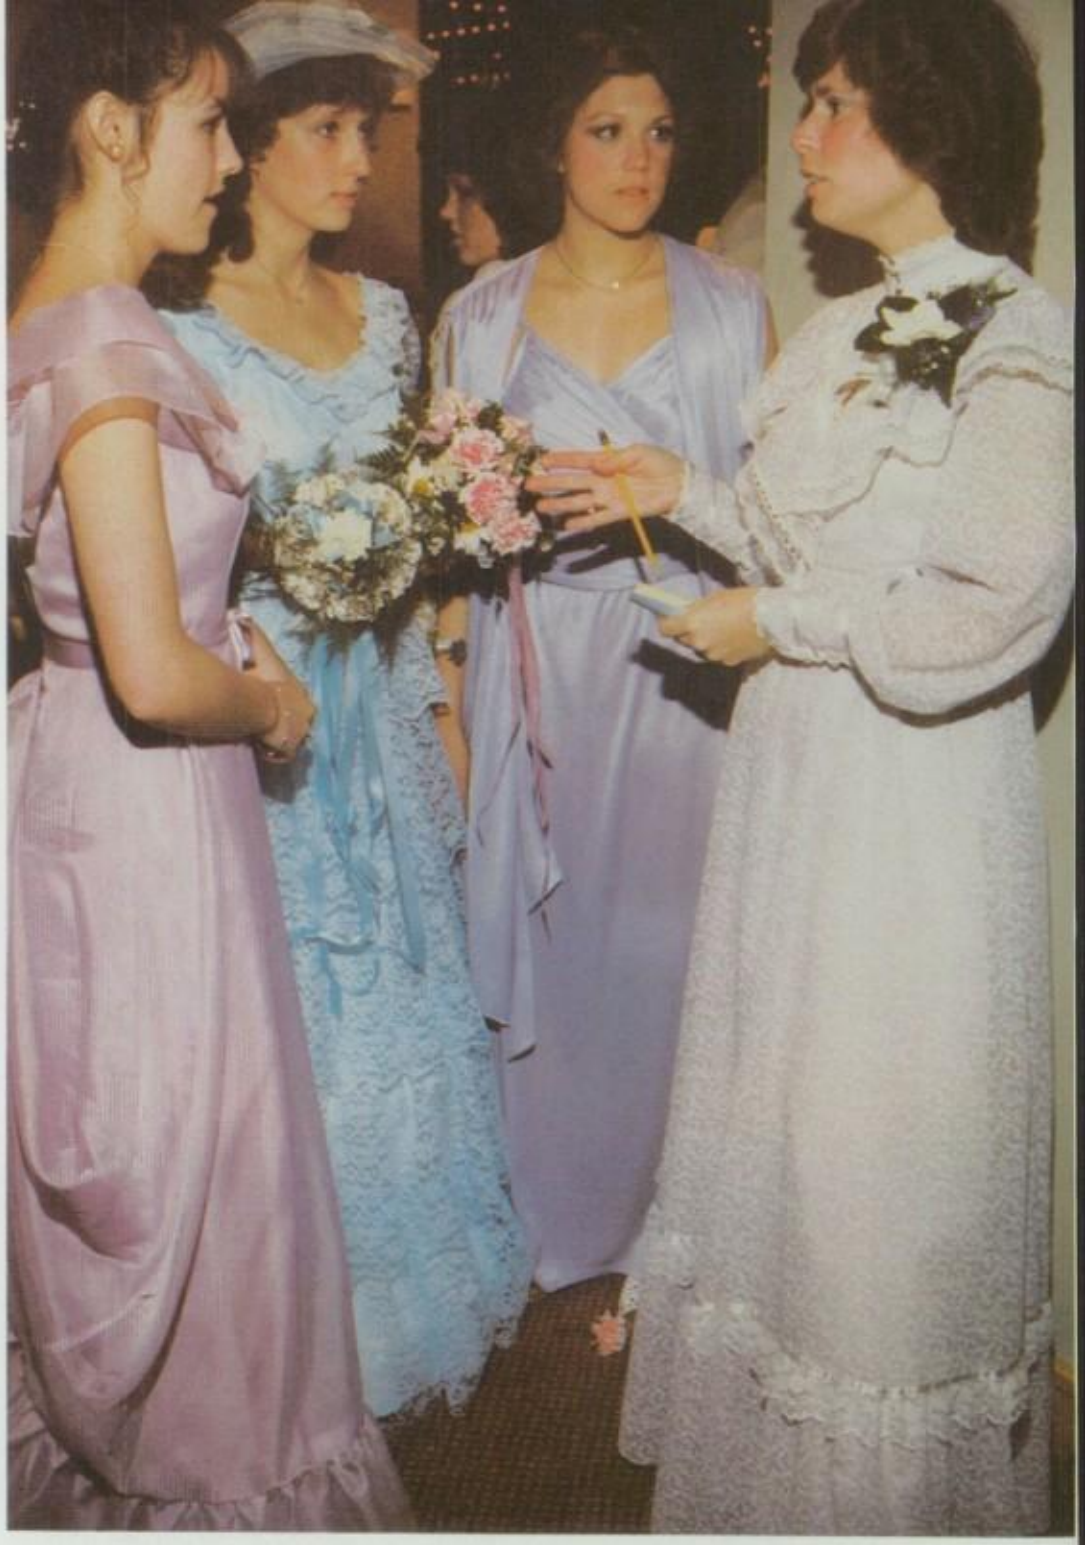
"Just You And I"

The 1983 Jr.-Sr. Pro was held at the Hyatt Regency Woodfield. Prom, "Just You and I", was a complete success. Prom Queen Miss Cindy Meisinger, Senior Attendant Miss Ann Schaefers, and Junior Attendant Miss Karyn Stayart. The VIP Club of Schaumburg High School made a generous donation of providing "Synod" for Prom '83. "Synod" played music from the Beach Boys to the most current hits, there was something for everyone. Thanks to you, the Junior Class, All of the Seniors had a lovely Prom to add to their memories of SHS.









This years show has a grand # of 78 dancers, including one of the opposite sex, Alex Sanchez. Graduating seniors include; Ramona Alicea, Anneliese Bayer, Katie Feeley, Kari Kott, Cathy Larson. Rene LeBeau, Liz Lefty, Jan Oswald and Janet Vacek. All dancers did a terrific job and the novelty "bag dance" was a smash. Congrats to Mrs. Chatel and Miss Hock who have once again pulled off a great Orchesis show. We all eagerly await next years performance.

Siegie's Follies" "ALL'S WELL THAT ENDS"

A King, his queen, and his mother all lived together along with their three daughters.

This family has a dilemma - finding a husband for the oldest daughter (she is very UGLY!). Tradition dictates the elder must marry first - only then can the other daughters wed.

The search is on! The younger gals and their knights seek far and wide a suitable mate for this ugly daughter. In the end, they are successful.

The ending of the play was unique, and possibly not the same each night. The audience picked the ending from these choices:

1. The ugly daughter marries and moves out of the kingdom to a desert.
2. The King and his ugly daughter leave the kingdom and move to another land.
3. The queen is delighted with her son-in-law and happily accepts them into the family and kingdom.

Missy -

Yeah! It has been quite a year! Between Paul and Russ it is hard to tell who caused us more headaches! You will do as well or even better in college than you have here in everything that you pursue!! I know that you will succeed & I hope that Boulder is good luck (although you won't need it). Soon I pick up the New York Times (not the rest) and a headline reveals "Macaday becomes new chief" that I knew you would! Keep in touch when you're not having too much fun & I can pass the word around. Kim Marie

State Champs
Girls X-Country

The senior leaderships of Val Ellis, Kerry Reidy, Lisa Wilmes, Ann Schaeder, and Heidi Iosue combined with sophomore All-Staters Janeth Salazar and Brenda Fleming and all the other members of the Schaumburg cross-country team made for the most exciting year of cross-country in Schaumburg history. At the beginning of the season, this group of young athletes set their sight, on the goal of winning the State Championship. The team quickly established itself as a strong contender, defending rival Hoffman Estates, winning the South Division, and then winning their first MSL Conference Title. In the state series, the team continued to gain momentum, finishing in second place at the Regional Meet, and in first place at the Sectional Meet. At the state meet in Peoria, the hard work and dedication paid off. The Saxons achieved their ultimate goal, the dream of every athlete — the State Championship.

Missy, I've really enjoyed knowing you as a friend and in Christ for the past year. You are a special person and God didn't make another person anything like you! God luck in life, I know you will succeed. Hope to see you over the summer.

School District 211

District 211 entered the 1880s as a one-room high school with a handful of students. We now are progressing into the 1980s with five high schools. Each can house between 2,300 and 3,000 students.

The times — and our young people — have changed. Each school has expanded and the opportunities and activities available to each student have increased. But the emphasis on a strong, basic curricula has remained.

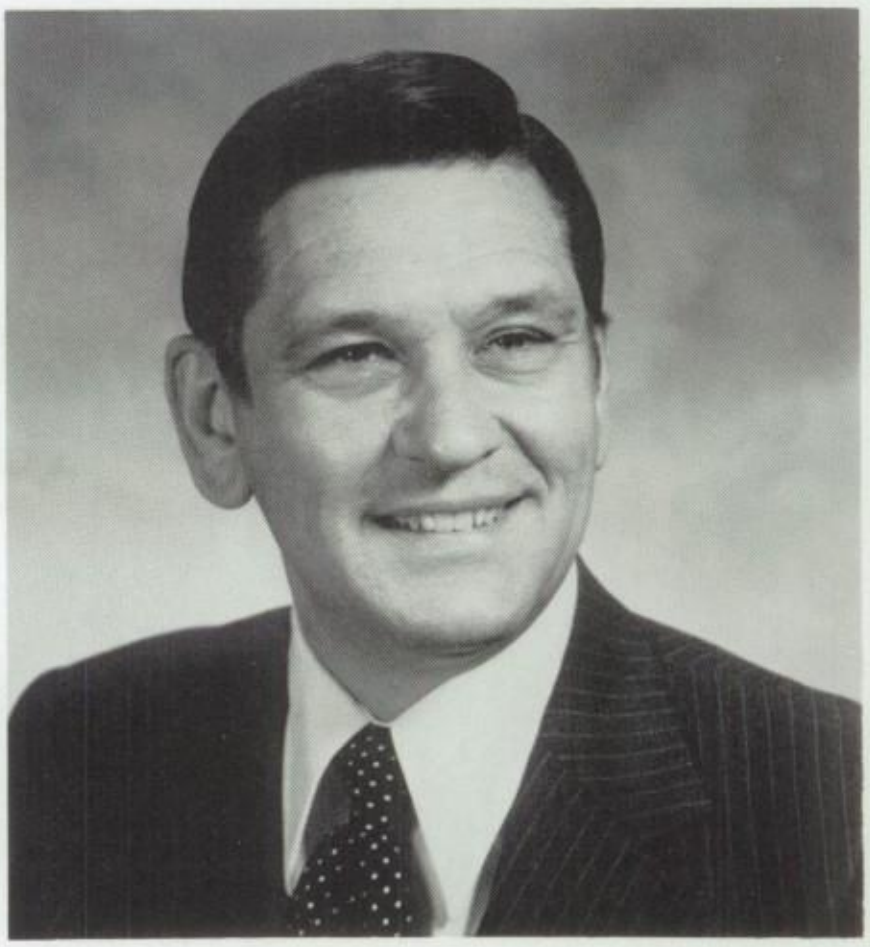
In fact, the Class of 1983 is the second to graduate under new requirements passed by the Board of Education five years ago. These requirements raised the number of credits needed for graduation from 16 to 18 and required a fourth unit of English. A third year of either math or science will be required, effective with the Class of 1985. Implementing a testing program for minimum essential skills in the areas of mathematics and English also was a recent change.

Beginning this school year, all District 211 students must complete an introductory two-week computer awareness unit within their required consumer education courses. Also, an introduction to computer programing is offered as a unit within geometry courses or within the data processing course. Students can learn to read and write complex programs through advanced computer programing courses. In addition to stressing computer training for students, the District also has undertaken a program to provide computer training for all teachers and administrators.

The Board of Education realizes that today's high school students are the leaders and residents of tomorrow. The students in District 211 are offered the opportunity to receive the best training available for these roles.

BOARD OF EDUCATION: The Board of Education consists of seven members who are elected on a rotating basis for three-year terms. Members are (seated, left to right): Anne Koller, Robert Creek (Board president), and Anna Countryman. Standing are (from left): Lee Kolzow, Richard F. Gillette, Robert Seger and Joe Marchiori.

RICHARD C. KOLZE
SUPERINTENDENT



Richard C. Kolze became superintendent of Township High School District 211 in 1970. During his career, he has been a teacher, department chairman, principal and assistant superintendent. As superintendent, Dr. Kolze is employed by the Board of Education as its chief executive officer. He is responsible for the operation of the five District schools — Palatine, Fremd, Conant, Schaumburg and Hoffman Estates - with nearly 12,000 students and 1,400 employees. His position involves him daily with the financial, curricular and staffing demands of District 211 -the second largest high school district in the state of Illinois.

WILLIAM C. BASSITT
ASSISTANT SUPERINTENDENT FOR INSTRUCTIONAL SERVICES

Assistant Superintendent William Bassitt supervises pupil personnel services and the curricular areas of art, business education, foreign language, industrial education, music, social science and special education. Dr. Bassitt also is responsible for summer school programs, the media department and adult continuing education.

GERALD D. CHAPMAN
ASSISTANT SUPERINTENDENT FOR ADMINISTRATION

Assistant Superintendent Gerald Chapman oversees the evaluation of each school's budget and the maintenance of District buildings. In addition, Dr. Chapman is chairman for the curricular areas of English, mathematics and science.

MICHAEL W. HYDE
ASSISTANT SUPERINTENDENT FOR BUSINESS

Assistant Superintendent Michael Hyde is responsible for planning, organizing and directing the business operations of the District. He supervises the departments of transportation, data processing, food services, purchasing, accounting and financial planning.

CARL A. ZDEB
ASSISTANT SUPERINTENDENT FOR OPERATONS

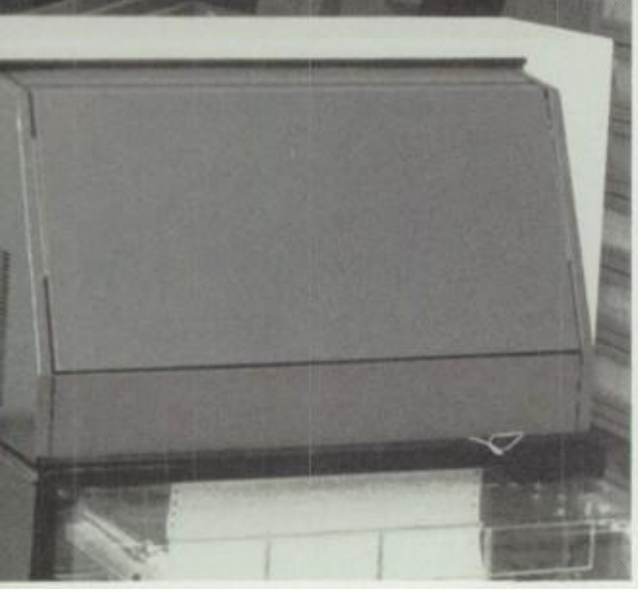
Assistant Superintendent Carl Zdeb coordinates the work of each school's assistant principals, activity directors and police consultant. He oversees disciplinary matters and teacher institutes and works with the elementary school districts whose students advance into District 211 schools. He also works with the District-wide student orchestra.

Other District Services

DISTRICT 211 ORCHESTRA: The District 211 Orchestra is comprised of about 60 string and wind players selected from the District's five high schools. Major concerts in the autumn and spring plus several specific performances highlight the abilities of these talented students. Pictured are members of the "South Orchestra" — students from Conant, Schaumburg and Hoffman Estates High Schools. South Orchestra conductors are: Dr. Nelson Cleary, Corrine Dyduch and Joseph Malmquist.

COMPUTER ROOM: The impact of computerization is evident throughout District 211. Student attendance, course scheduling, guidance information, honor rolls, report card printing and grading student examinations are just some of the functions and records which are now computerized. Pictured is the District 211 computer room in the G. A. McElroy Administrative Center. Phyllis Ziemann, Computer operator, sits at the main operator's console.

ALTERNATIVE SCHOOL: The staff of the Alternative School, the District's "Sixth High School," works with a small group of students whose needs cannot be met in the traditional high school. Pictured (left to right) are: Kathy Lenzini, teacher aide; John Utterback, program director; Susan Mahlock, teacher aide; Berenice Malia, psychologist; Frank Mariani, teacher aide; and Judy Perlson, teacher.



PRINTER: Mrs. Ziemann prepares the printer after programming the computer to print a list of Honor Roll students. In addition to the District's increased use of computers, the number of students enrolled in computer-related courses has increased from 382 students in the 1980-81 school year to 1,385 students this year. The increase is attributed to the District's purchase of more modern equipment for use in computer courses, increased student interest and their recognition of the growing importance of computers.

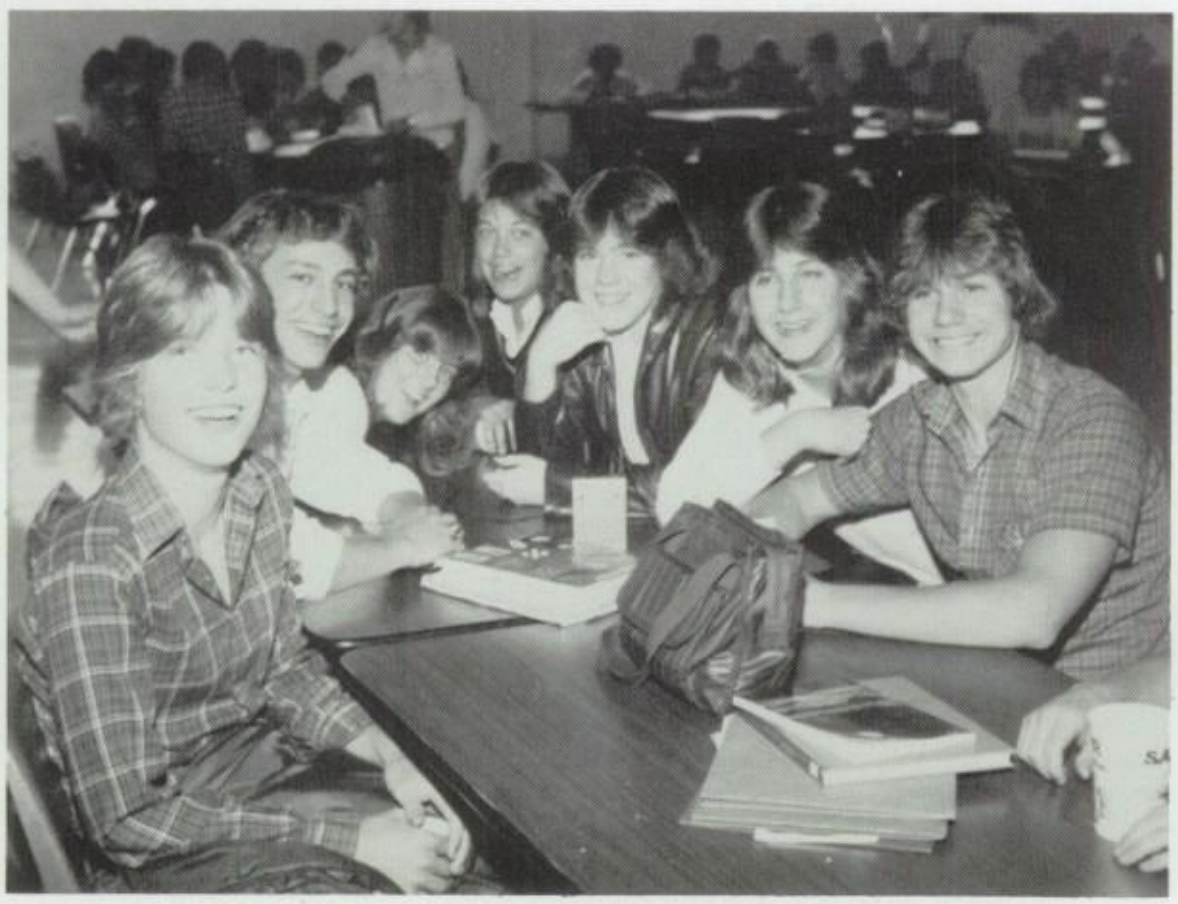
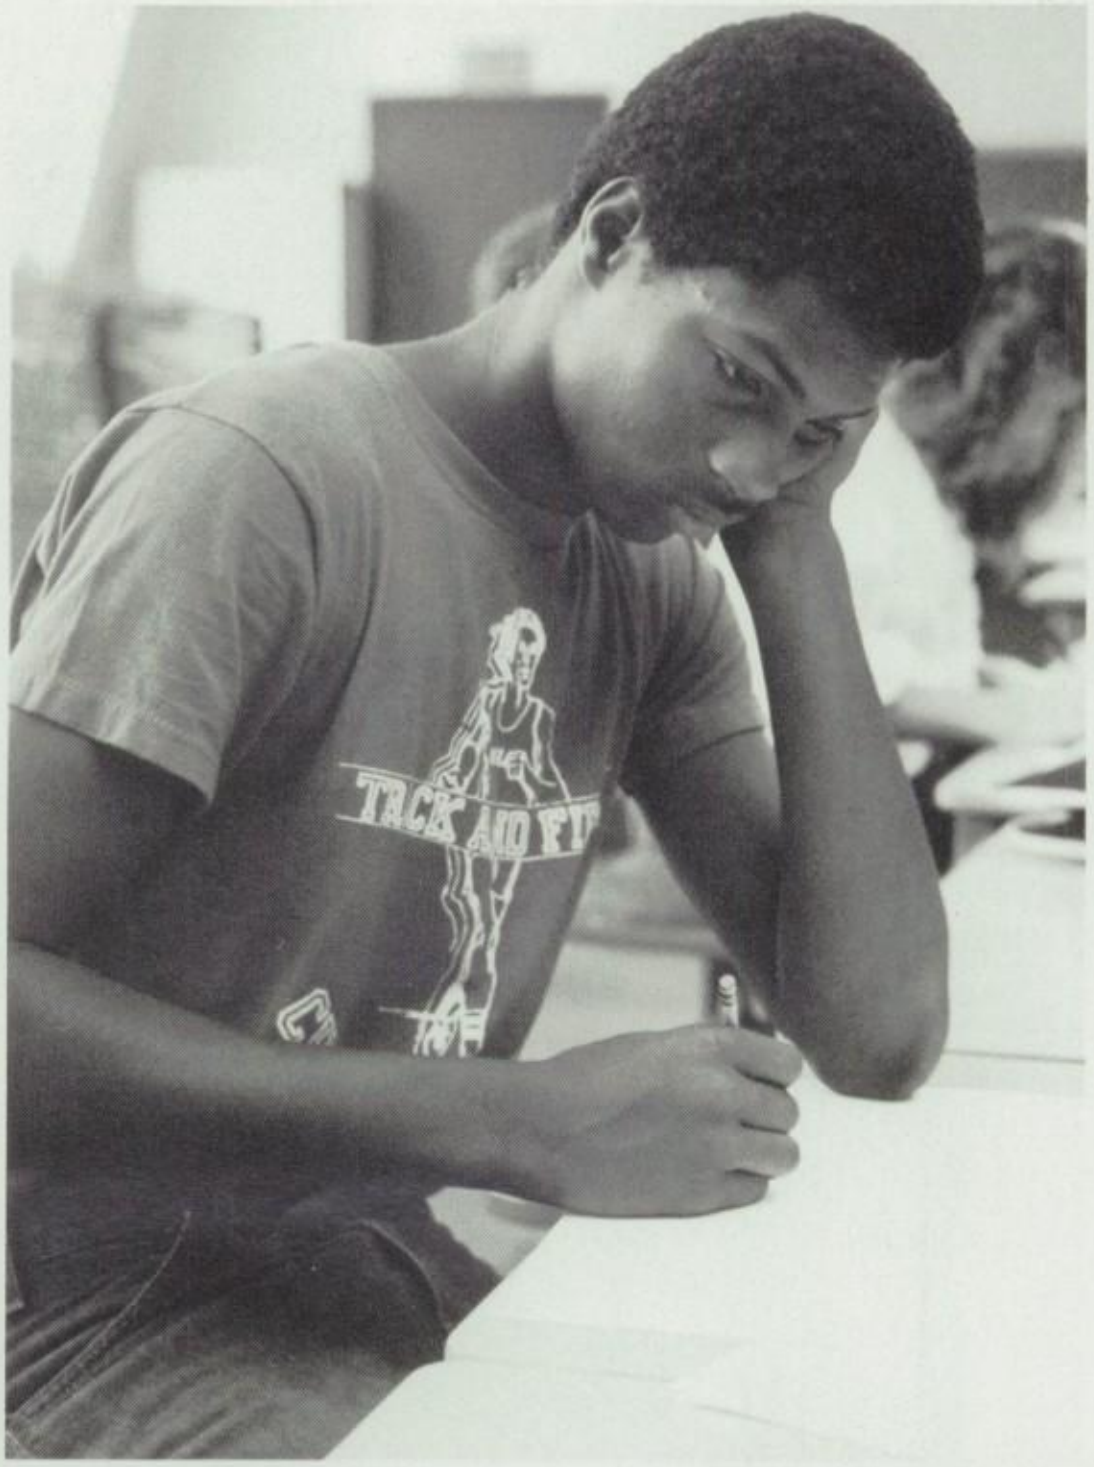
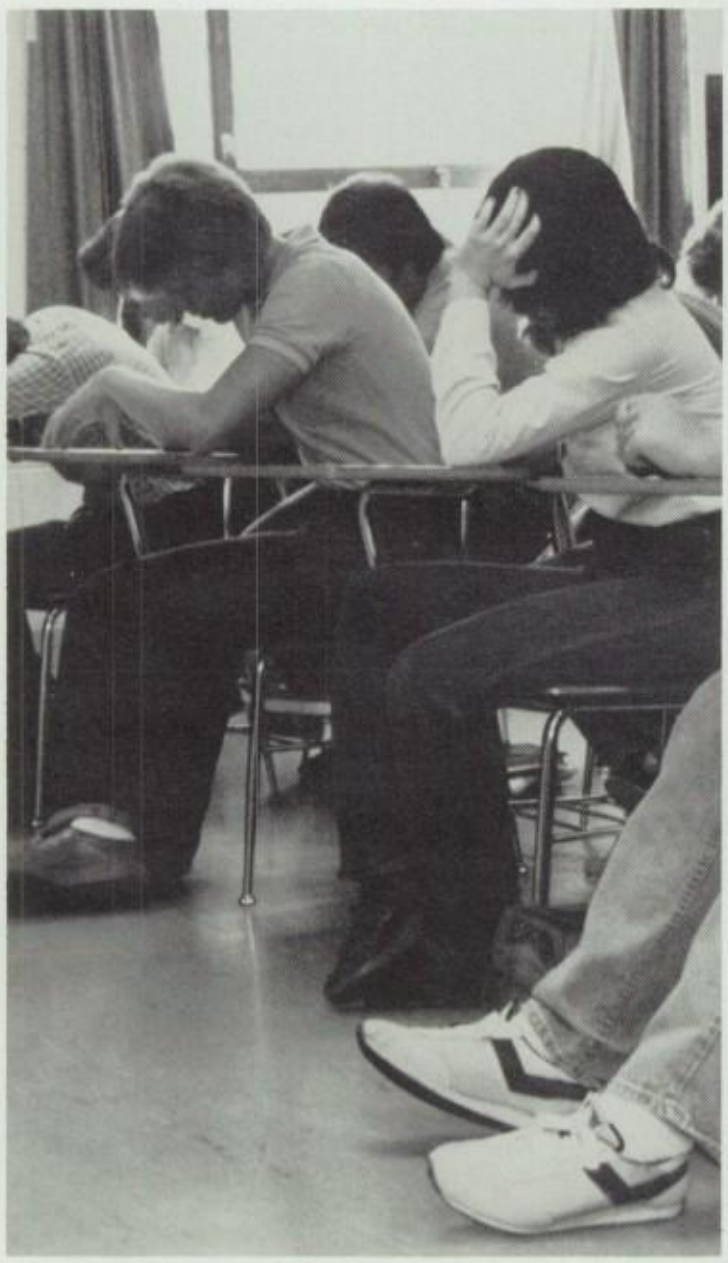
Music Is Everywhere



Perhaps The Most Valuable Result Of All Education Is The Ability To Make Yourself Do The Thing You Have To Do, When It Ought To Be Done, Whether You Like It Or Not.





Success is not a harbor but a voyage with its own perils to the spirit. The game of life is to come up a winner, to be a success, or to achieve what we set out to do. Yet there is always the danger of failing as a human being. The lesson that most of us on this voyage never learn, but can never quite forget, is that to win is sometimes to lose. — Richard M. Nixon

how we kept talking about mustard. -2-
Then there were the 10 minute trips to the bathroom! We were so scared to go home because of the speeches we would get!
Then there was the trip to Notre Dame. Remember how we talked about making out & about Shelly's experience with David Richard Robinson. Now that was a riot! I am so dumb - wearing white shoes to walk 10,000 miles! Dave wouldn't stop walking. Then remember how I tripped in church & started SNORTING! Hey Miss, I'm taking after you. You rubbed off on me this year. Well the day ended great when we put Sigma up saying, "We're being kidnapped" and DAVE Robinson is a homosexual! Dave & Shelly didn't seem to be too pleased with us! Well we are a pair aren't we! I don't think we've ever been calm when we've been together! Is this a novel yet?! Sorry, I just can't shorten this at dee!

OUR WAY

This dream has been a long time in the making,
Now it finally looks like it really has come true
The bridges we crossed yesterday look so much safer now
But today's roads are strangers, we're searching for something new.

We've played our games and we've played them right,
And with pride we've won so much more,
But even now when we lay our cards upon the table
The winning hand is waiting just outside the door.

We've tried and failed and tried again
Maybe tomorrow our dreams will decide to shine
Tomorrow we can see a million rainbows
Tomorrow, only shadows will come out behind.

If we could change the pieces of our lifetimes,
Would we want to make our friendships stay the same
Would we want to hold on to our faded memories?
Or would we try to make a lifetime take the blame?

If we could make the seasons stand still, you know
There would never come a time to say good-bye
But there's something in the stars we're all reaching for
And goodbyes are only said to make us try.

The class of '83 stands with it's faces to the future,
Hand in hand we'll make it to our dreams
Tears of happiness cannot begin to explain.

The years we've spent in growing
The times of never knowing
There's a bright future showing
And we'll make it, our way .....

Then there was PROM! It starts off by us getting into a fight. But as usual we made up. Don't we always?! Remember how we went to Woodfield & tried on bra's. I'm so tiny they needed to get me a stretch bra. Well I certainly didn't get the gift of boobs!! I also have a continuous problem with grey sweat pants! Then remember the incident with the car. "Missy what's that noise?" We figure out it's the (turn to first pg)

Sexy WOMAN,

Hi hon! Well I mean what should I write? We've done so much & gone through so much together that it's hard to write down. Well this year has been a hard & challenging year, but fun! I think this year has been a blast! Remember all our talks in gym about gorgous guys & about our trip to California. Too bad I can't go. Then there was the 7th hour newspaper office when we could be sure that by the end of the hour we'd get into some sort of arguement! But didn't we always make up? But then again - who was the one who always apologized?! I have to admit though, your pride has gotten better this year!

Well miss (Sorry I forgot that's your pet peeve) you've been a good friend. I can't believe that next YEAR when I go to school my best friend (just in case ya don't know who I'm talking about - that's you!) won't be there. It will be so strang. I know when people leave each other they always say, "we have to keep in touch"; but they never do. Well hon, we will. and just think when you go to Northwestern we won't be far away. We can go shopping downtown together!! Could you see us?! We'd have no money left!

Well remember our punny experiences- you teaching me how to barf! Then there was the time you, Karl, Mike, & I went to Down the Hatch. We had them so confused that they got mad! Remember

Missy!
Have fun at Northwestern

Missy,
It's been nice knowing you
even though you're a crummy editor
and you deleted the best parts of my
quotes. Best of luck at Northwestern
you'll be a Big 10 rival now — and
at everything you do in the future
you're a very nice girl & I'm sure you
go far.
Jeff

Missy,
I'm really glad you transferred
here and got so involved. I'm also
glad we got to be good friends.
You're so funny sometimes. You
have really done a lot for our
school paper. Like your talent for
writing to its full potential and
I know you'll succeed. Have a
fun summer. Maybe we can all
get together before we all leave
to college.
Love,
Abel Sánchez

Missy,
Congratulations,
this is the most
artistic dregotten

being there when I needed
you. We sure have shared
a lot. I will never up or fall
again without thinking
of you. Never forget Pepe

Muffy,

Roses are red,
violets are blue,
cows give strawberry milk,
Bink drinks it, too.

So I'm not a poet. C. Ed. was the bourgeat (how's that for good English?) fun I've had in a long time despite your presence. HS! I got Ed.-in-Chief after all! Thanks for your help in me getting it. Maybe now that Paul is gone, ~~[illegible]~~ some of the worry will be off Nancy's shoulders and she'll grow! You guys were hilarious at Prom. No matter what you think, Mike & I still think you aren't human. No human could take such mass doses of - PEZ, Bloody Marys, aspirin, V.O., ~~[illegible]~~ no food, bodily injuries from falling, tripping and slipping, and no sleep for days. Good luck at N.U.-in JANUARY! Ha, Ha,- What a Missy!

Love,

Bob Hutchison, Jr.

(Save this, it'll be worth something someday)

Missy,

Like hi! I'm glad I got to know ya last year. Too bad I got stuck 2 yrs in Spanish though. I hope you have an awesome life + lots of luck in everything you do!!!

tu amiga,
Laura

missy,
I can't say I'll never see you again. Hopefully we'll be right up the street from one-another'. I don't know if they're ready for us'. Good luck working at the newspaper. I know you'll like it, and someday I'll be reading your column in the paper, or see your name in the bookstore, If I do, will you autograph the cover!!! History last year wouldn't have been the same without ya', If I ever hear someone yelling -Bite-A-Rock down 5th avenue, I won't even have to turn around to know it's you. Love always Tina 893-1751
